Schedule approved by and trials held under the Rules and the Regulations of the New Zealand Gundog Trial Association. 20/03/24

Ballot and Draw

For each dog entered in a trial, a handler must specify its **status** (qualified or unqualified) and a **unique entry preference**. For example, if there is only 1 dog then it's a 'first preference' entry; if there are 2 dogs entered, then one would be the 'first preference' and the other the 'second preference'.

A ballot will be conducted if the number of entries exceeds the number of places available in each trial, as determined by the Trial Captain. In an open or championship trial the number of places is usually set to 20, while in a novice trial the places are seldom limited. In all open or championship trials, all qualified dogs take priority over any unqualified dogs. In all trials, all first preference dogs take priority over any second preference dogs where places are limited. All third (or lower) preference dogs will be placed at the end of a reserves list in an open or championship trial.

Awards

Placings and Championship trial challenge points are awarded at the discretion of the judges. Sashes and prizes will be awarded for 1st, 2nd, and 3rd places, and Guns' Choice.
