

## **NZKC/DogsNZ Delegates meeting 2024**

- Please find here the link to the Year book from DogsNZ. On pages approx. 16 you will find the remits and further on the recommendations in front of the delegates.

The meeting is laid down for the last weekend of June- 29/30.

If you have any comments for NZGTA to raise, please do so as soon as possible.

We have already been alerted to Remit 2, and raised with DogsNZ how that may affect our sport. I've received acknowledgement of our concern.
